In Partnership with

The repossession and liquidation of vehicles in a quick and efficient manner means more money recovered. The *LEVERAGE* Remarketing Program partners with national companies to not only secure a maximum average return, but also to automate and streamline the liquidation process.

Performance Features

- Strategic Lane Position
- Professional Representation
- Automated Liquidation Process with Electronically Tracked Collateral
- Volume Discounts on Auction Fees
- Marketing & Promotional Campaigns to Attract Buyers
- National Brand Recognition
- Repossession Services
- Skip Tracing

An in-depth, strategic approach to liquidating repossessed and off-lease vehicles creates a stronger remarketing program that reduces exposure, minimizes losses, and increases the bottom line. This program accelerates the results of the remarketing process. To schedule an onsite auction demonstration, email repossessit@myleverage.com.
