XFINITY

Innovation in Connectivity & Entertainment

Xfinity TV lets customers search, discover and navigate TV, movies, live shows and their favorite online streaming services in an intuitive and interactive way. Voice control remote controls and mobile streaming capabilities make Xfinity TV a favorite for entertainment at home or on the go.

With Xfinity Internet, customers get ultrafast speeds that cover all the smart devices in their home without overloading their Wi-Fi, exceptional coverage across any room and access to more than 18 million Wi-Fi hotspots across the United States.

Xfinity Home, named CNET's best professionally installed home security product, provides next-generation home security and control. Xfinity Home now also offers Self Protection, powered by xFi, providing next-generation home security and control such as live video monitoring through their phone, tablet or Xfinity Home touchscreen. Keep connected in a modern age with Xfinity Voice, an IP-enabled home phone service that delivers the classic functions of a home phone in digital quality with enhanced and innovative features such as caller ID displayed on your smart TV.

Your Members Get Cash Rewards for Choosing Xfinity

Credit union members can get up to \$150 in cash rewards when they purchase and connect select eligible Xfinity services through the Love My Credit Union Rewards program.
