

LIFESTEPS WALLET LITE

Robust mobile technology at an affordable price

Financial services are rapidly evolving. To stay competitive, many credit unions are continually trying to catch up or keep pace with banking and fintech disruptors, especially in technology and innovation.

That's where the LifeSteps Wallet Lite app comes to the rescue. The app was designed for credit unions who are cost conscious while still pursuing a cutting-edge, easy-to-navigate mobile banking enhancement

application. LifeSteps Wallet Lite's affordability makes it possible to give members access to financial services, shopping, auto or home buying, travel discounts, identity protection and so much more, while also promoting your credit union brand.

You can confidently enter the mobile space with an effective product that not only provides overarching branding for your credit union, but will enhance your members daily life experiences.

LIFESTEPS WALLET LITE

What makes LifeSteps Wallet special

LifeSteps Wallet Lite is an innovative mobile app for small-asset credit unions. With its feature-rich, responsive and convenient capabilities, LifeSteps Wallet Lite creates more opportunity to nurture relationships with your members. It builds member engagement and retention by helping members make informed decisions when it matters most.
